**MIDNIGHT SYNDICATE TO DEBUT FIRST MUSIC VIDEO AT TRANSWORLD'S  
HALLOWEEN & ATTRACTIONS SHOW IN ST. LOUIS, MARCH 25-28th**

(Cleveland, OH) Midnight Syndicate is teaming up with Precinct 13 Entertainment, Robert Kurtzman's Creature Corps, and director David Greathouse to produce a music video for *Dark Legacy* from their *Dead Matter: Cemetery Gates* CD. It is the band's first music video in their 13-year career. Syndicate's Edward Douglas, director Greathouse, and Robert Kurtzman will be on hand to premiere the video during The Dubliner Opening Night Celebration co-sponsored by Ken Donat and Westland Insurance at the TransWorld 15th Halloween & Attractions Show in St. Louis March 25th ([www.haashow.com](http://www.haashow.com)). It will also be on display all weekend at the Midnight Syndicate Soundtracks Booth #631.

In addition to heading up Special FX Makeup on *The Dead Matter*, David's directorial credits include Mushroomhead's *12 Hundred* music video which won *Video of the Year 2007* on MTV2's *Headbanger's Ball* and their 2010 *Your Soul is Mine* video which appears on the *Saw VI* DVD. He also recently completed a documentary entitled *Legion of Terror* which is based on a notorious Northeastern Ohio haunted house acting troupe.
